J McIlwraith suggested that details of every member Association Rules for Registration be made available to ensure that everyone is aware of whether cattle from another Association would be eligible to be registered in their own Herd Book. It was suggested that each member Association publish their registration Rules on their website if possible.

M Cock asked that all Associations provide contact details of Collection Centres for exporting from their country on their webpage.

Delegates Contact details – it was requested that each delegate present email the Secretary the contact details of their Association and their delegates.
